BAR SERVICES AND POLICIES

POLICIES

STAFFING

We require 1 bartender per 50 guests + a bar back for each additional location.

Minimum of 3 bartenders required for 2 bar locations (if open simultaneously).

Final staffing decisions made at the discretion of the bar service manager. Bartender Service is \$35 per hour. Some events may require additional set up and breakdown time, at the bar service manager's discretion.

BAR LOCATIONS

All packages include the inventory and supplies for one bar location per every 150 guests.

Any additional bar locations are a flat rate of \$150 each.

We will provide at least 4ft of bar space per 50 guests (i.e. a 150-guest function would warrant a 12ft-long bar, and 3 bartenders).

WEDDINGS

If your ceremony is in the same general vicinity as your reception, we will need to send our bartenders early enough to be setup prior to your guests' arrival.

This generally requires an additional hour of bartender labor, but may require more, at the bar service manager's discretion..

NON-DRINKERS

We price our packages using the statistic that only 70% of the population drinks alcohol.

Please provide us with your complete guest count for accurate pricing.

Pricing for juices, sodas, ice, water, garnishes for guests under 21 is \$8.75 per person.

FIVE-HOUR LIMIT

We will not provide open bar services for longer than five hours due to liability concerns.
